

BURCU & GEOFFREY'S BIOGRAPHY

Both graduating from Supinfocom, **Burcu & Geoffrey** started directing projects together during their studies. This young and talented duo is composed of Burcu, pronounced «Boujou», a young woman from Istanbul who is passionate about illustration and design, and Geoffrey, a Frenchman who is fascinated about 3D animation as well as the technical aspect of the art form.

Together they directed the short animated film, «Tant de Forêts», as part of a Jacques Prévert collection that was broadcasted on France 3. The success of this work led it to be recently selected for the 2014 competition of the internationally renowned Annecy Animation Festival. Burcu & Geoffrey have also been working for the last three years on the very successful and the award winning **Van Cleef & Arpels**, **Alhambra** campaign.
