

HELEN RATNER'S BIOGRAPHY

Helen Ratner is a Brooklyn based artist with a quirky sense of humor. With a background in advertising, she specializes in motion graphics, animation, and design. Playing with techniques such as cel animation, rotoscoping, and collage, Helen creates surreal videos that surprise and captivate viewers.

Helen has worked on a range of projects from music videos with major artists such as Steve Aoki, El Alfa, Kanye, FKA Twigs, and more to creating animated shorts for television.
