

## STEFANO COLFERAI'S BIOGRAPHY

**Stefano Colferai** was born, lives and works in Milano. After failing in his football career, he decided to hang up the boots and start to express his creativity using hands. Very attracted by plasticine and pushed by the attitude to make his hands dirty, Stefano starts to work with this playful material that allow him to never getting bored. His work is focused on modeling character, illustration and stop motion animation.
